Rental Policies & Requirements:

- Customers must have an account open and in good standing and must carry insurance that meets AMC requirements to rent equipment. (See AMC insurance requirements for more details)
- Payments are due in full, prior to equipment being released with the exception of customers who have an established account with a line of credit through Allied Machinery Corporation.
- All rates are subject to availability at the time of booking and do not include any applicable taxes, fees, etc., and may change without notice. Please contact the Rental Department for updates and inquiry.
- All rates are based on an 8 hour day, 40 hour week and 160 hour month.
- All rentals should be returned clean and full of fluids
- Customer is responsible for all daily maintenance and lubrication and for notifying Allied Machinery Corporation "AMC" when the unit is due for service (standard intervals are every 250hrs). Failure to notify AMC of these service intervals that result in routine servicing to be missed or skipped, whether intentional or unintentional will result in penalty charges to the customer at the pro-rated monthly rental rate, per hour of usage in excess of the suggested service interval, unless approved in writing by a representative of Allied Machinery.
- For a complete list of all our rental policies, please see our "General Conditions of Lease" agreement
